MRS. WARD

MR. SOLBERG

THE PERSON I LIKED BEST AT VALLEJO SENIOR HIGH

THE SENIOR BENCH REPORTER

Sharon Dietzen

My choice is Sharon Shallenberger ("Shall" to most). Sharon isn't ordinary—she is the most intersting person I have ever known.

Roger Wood

My choice goes to a boy with big brown eyes and short brown hair. He is handsome, smart, athletic, and exciting—in other words just plain wonderful —his name, of, course, is ROGER WOOD.

Susan Graham

I have given this a lot of thought and I think Vern Gebhardt qualifies in my mind. I can sum him up in one word, GREAT!

Cris Parks

Several students and teachers come to my mind for many reasons, but one in particular is my choice. This man is Mr. Harry Gray. His dedication to his work and knowledge of the subjects prove him far superior to many other high school teachers.

Doretha Arellano

In my opinion the most remarkable and unforgetable person at VSH is that dramatic man on the go, Mr. Swan. We all owe him a lot.

Cassandra Nichols

I liked a lot of people, but one that sticks in my mind is Bill Hutcherson. While we were together we made many friends. I respect him very much.

Dick Clarke

The person I liked is an American Government teacher by the name of Eugene Bell. He is a wonderful teacher with a sparkling personality. (The sidewalk reporter agrees!)

Lurrine Badaracco

My choice is Miss Lynch. She is a real sweet and helpful person, who I have enjoyed knowing for the past three years.

WE HAVE ALL MADE MANY GOODS FRIENDS AT VALLEJO SENIOR HIGH SCHOOL!

Senior Hall of Fame

New at our school this year, **BRUCE DEUEL** has been an outstanding student. At a former high school he received awards in French and Algebra, won first place in a math field day, and received a letter for academic achievement. He also is the recipient of the Bausch and Lomb Honorary Science Award for the Outstanding Student of Science, and he made the highest score on the Scholastic Aptitude Test given last fall. Next year he plans to attend either the University of California at Berkeley or Humboldt State, majoring in wildlife conservation. He would like to go into either the U. S. Forest Service, the Park Service or be a Game Warden. Bruce participates in student government as a member of the House of Representatives; he is presently a member of CSF. His hobbies are fishing, reading, campings, and bird watching. Bruce has participated in football and baseball. He believes football has been of the most value to him, having taught him the need for co-ordination of mind and body.

CORLISS MILLER says, "I think that being a member of the Pom-pon group has been my greatest experience. It made me realize the work, compromise, the need for co-operation and group participation that is involved." Besides being a pom-pon girl in her junior year, Corky has been a member of CSF for three semesters, Pep Club, Youth Problems Committee, and a senior councilman for two semesters. She was chairman of the Senior Tea and was a judge for the Napa-Vallejo Sportsmanship Trophy. Corky has taken an academic course including classes at Vallejo Junior College during her senior year. She plans to attend U.C. at Berkeley and major in Spanish or education. She would like to teach Spanish at various elementary schools. Corky's interests are water skiing, reading, sewing, knitting, dancing, collecting postcards and Dresden figurines. She is also a Candystriper, a junior member of the Vallejo General Hospital Guild.

CRIS PARKS has held many school offices (Student Body President and Vice-President; Student Council, three semesters) and has taken part in a great deal of activities (Key Club, J.E.S.S., CSF for three semesters) and sports (Varsity and Junior Varsity football and baseball, and Junior Varsity basketball). Cris plans to go on to Brigham Young University next year, majoring in a social science—maybe pyschology. He wants to work with people and feels that besides the invaluable education he has gained at Vallejo, his acquaintance and association with other students has been the most unforgetable part of his high school life. Cris says, "If American youth used its potential the future discoveries and improvements would be limitless . . . Youth often does not set its goals high enough, or work hard enough to reach its potential."

SUSAN BINNEWEG has engaged in a great many student activities. She was Vice-President of her sophomore class, and served as a representative to the Student Council in her junior year. As a senior she was elected both semesters to be Student Body Secretary. She was member of the Nationalist Chinese delegation to the Model United Nations, a member of the Student Planning Committee for Public Schools Week, and a member of the Senior Debate Team. She has received the D.A.R. Good Citizens Award, and placed third in the local Elks Club Leadership Contest. In her junior year she was active in the French Club as I.O.C. Representative, and was Secretary of the CSF. Next fall she plans to major in Political Science and minor in History at the University of California at Berkeley. Sue has always enjoyed writing both prose and poetry and has had a poem published in a High School Poetry Anthology. As a junior she placed fourth in a V.F.W. essay contest. She also enjoys tennis and swimming. She teaches a primary Sunday School class at her church and is also vice-president of the youth group. Sue feels that "taking a Social Studies Seminar course this year has been and will be of the most value . . ." to her.

A liberal arts major, **SARAH FORD** graduated from Vallejo Senior High in January 1963. She, then, immediately began scheduling classes at Vallejo Junior College for the spring semester. In addition to taking classes at Vallejo J. C., she plans to attend the University of California at Berkeley in the future. Sarah's main goal is to be a high school social studies teacher. Her activities at Vallejo High included being a member of C.S.F., Scarlet Masque, and the Model United Nations Delegation held at Berkeley in March. Sarah has received a Certificate of Merit, won the Betty Crocker Homemaker of Tomorrow Award, and was a semi-finalist for a California State Scholarship. Her out-of-school activities include being a member of the choir at her church and doing other church work.

While taking a college preparatory program and maintaining top grades, **RALPH LOMBARDI** has been very active in student government. He has served as student body president and vice president, junior and senior councilman, and councilman-at-large. Other activities include being president of C.S.F., president and vice president of the Key Club. Ralph's superior grades have obtained him life membership in C.S.F. He has received awards from the V.F.W., Bank of America, American Field Service, and the Elks, and was awarded a Merit Scholarship Letter of Commendation. As he likes almost any outdoor sport, Ralph has been an active participant in athletics during his three years at Vallejo High. In addition to his experience in student government and sports, he values greatly his participation in seminar classes with Mr. Gray and Mr. Green, where he was head of the China delegation to the Model United Nations. Ralph plans to go to the University of California at Berkeley, and upon graduation from Cal, hopes to attend Boalt Hall and study law.

A brilliant girl who has maintained a 3.92 grade point average, **SUSAN ADAMS** believes the greatest contribution our generation can made to the world is genuine peace in the world. She is a Life member of the California Scholarship Federation and has been a member of the Math Club, and Mu Alpha Theta. She was a semi-finalist in both Bank of America Achievement Awards and the State Scholarship Commission, and received an Elks Award. She plans to attend either Stanford University or the University of California at Davis, majoring in biology. Her hobbies and extracurricular activities include Rainbow Girls, Young Republicans, piano, and her church.

The Homecoming Queen Was →

On November 3, 1962, the Vallejo Apaches staged one of their most rousing and successful Homecoming Rallies in the history of the school. The students all participated in decorating their cars for the traditional caravan down to the Waterfront Park. The winning car belonged to Mary Ann Johnson. The spirit was high that afternoon with the help of our enthusiastic cheer-leaders and Pom-pon girls. The Pom-pon girls, headed by Debbie DuVall did a routine which was one of the best received yet. The large crowd which had gathered at the Park were thrilled when Bob Nunn announced the three candidates for Queen—Doe Arrellano, Debbie DuVall, and Lynne Nelson.

Picked At Rally

Doe Arrellano, pretty brunette Senior at Vallejo High, was voted 1962 Homecoming Queen by the male members of the Student Body. Miss Arrellano is active in school affairs, is on Student Council and one of our lovely Pom-pon girls. She was crowned and presented with the traditional roses by Mayor Hewitt, and then congratulated with a "kiss" from Cris Parks, Captain of the football team. Even though Vallejo lost her Homecoming Game, we certainly had a winner in our lovely Queen.

The Inaugural Ball

The Fall Inaugural Ball was held on October 27 in the Women's Gym. The theme of the festive affair was "Danza de Amore" (Dance of Love). The Women's Gym was transformed into an Italian scene. The coke-room was very effectively decorated to convey the typical Italian cafe — all the way down to wine-bottles, candlelight, checkered tablecloths —even a tape recorder brought forth Italian melodies. The Grand March, as usual, was a spectacular success. A marvelous time was had by all. The 1962 Fall Inaugural was remembered as one of the social highlights of the year.

"Thurber Carnival"

DIRECTED BY
BRUCE A. COLLINS

Once again, the curtains opened for the Spring play, "A Thurber Carnival" on May 3 and 4th. The play was a huge success, and highly hysterical. With Bruce holding the reins, the cast did a marvelous job of carrying out the brilliant humor of James Thurber. The Thurber wit, the Collins drive and the snarling words of Walter "Benno" Mitty (You miserable cur) made the play one which will be long remembered.

SEATED, left to right: S. Shallenberger, J. Smith, G. Carroll, C. Franks, P. Robson, D. Burdon, C. Dent. STANDING: R. Riera, B. Lawson, B. Wilkens, B. Roesch, V. Hublitz, A. Reynolds, J. Fortenberry, D. Roster, D. Clapshaw, B. Bauerschmitt, L. Jenson, S. Price.

"Take tea and see!"

"Mother, please—I'd rather do it myself!"

"HAVE YOU PEOPLE GOT ANY .38 CARTRIDGES?"

An example of habit-forming Thurber humor—

The White Glove Routine performed to "Peter Gunn" a modern jazz rendition and performed in a flawless manner.

On March 8th, VSH presented its annual Talent Show in the Hogan auditorium. It was undoubtedly one of the most varied and entertaining displays of talent ever. The performers had what you might call an "appreciative"—if not quiet-audience. Ralph Lombardi did a wonderful job as Master of Ceremonies. Mr. Virl Swan—as usual—was the behind-the-scenes co-ordinator and had a large hand in the success of the show. Of course, the **performers** had a lot to do with the show. And let it be said they performed as regular troupers, with ease and personality.

Performers, besides those pictured on these pages, should receive some credit for their contributions to the show. As usual, the VSH pom-pon girls performed in a flawless manner. Their routine was done to "Do the Bird". The VSH Sextette harmoniezd beautifully as they sang "Moon River". Baton twirling Linda Barrios whirled circles around everyones' heads. The Renegades, headed by talented trumpet-and-piano player, Tom Muntz-brought the house down while backing the Devon-Aires. Lastly, Phyllis Dillpickle (alias Sharon Shallenberger) added a dash of hysteria to the program in a commercial to boost "Tomahawk" sales.

The show was well received and a large success.

The Velveteens, accompanied by Nancy Jones—(who sings as well) swing with "We Belong Together"

The Van Dyck Juniors, of course they wailed!

TALENT

The Paragons produce sounds to bring the house down.

A fast-moving local group, the Devon-Aires, display their unusual singing talent.

SHOW

Dace Jekabson and Paulette Shinn add a little flair with their dance routine to "Tequila".

LYNNE NELSON

MERILYN LAWRENCE

Merilyn Lawrence, Corky Miller and Lynne Nelson were chosen late this March from many other girls as contestants in the Miss Solano County Fair Hostess Competition. The judges were Mr. Jack Vickers, Mrs. Charlotte Spencer, Mr. Virl Swan, Mr. Ralph Lombardi, Mr. Cris Parks, and Miss Sharon Drew. The girls were picked on their poise, personality and beauty of face and figure. They will vie against other Solano County High school winners for the final competition.

TWIRP WEEK
(The Girl is Required to Pay)

Twirp Week was kicked off on April 1 — and climaxed with the Spring Vice-Versa on April 6. During the course of Twirp Week, which is sponsored by AWS, a Talent Show was presented during the noon hours — which, however short — was very successful. Another activity was a Noon Basketball Game between the Senior Boys and the Senior Girls — (incidentally, the girls wiped the boys out). There was also a noon Movie for girls only — which not only brought the girls in out of the rain but was free of charge. The most outstanding feature of Twirp Week was the petitioning and voting for Mr. Irresistible. All in all, Twirp Week was a big success.

On Apirl 6th the AWS kicked off their bi-annual Vice-Versa, "A Touch of Spring." The gym was converted into a City Park for the occasion — complete with Picnic Tables, Park Benches and even a "No Parking" sign — Everyone danced to the swinging music of the Renegades, and listened to the dreamy singing of the Devon-Aires. At 10 o'clock, Mr. Irresistible (Jesse Williams) was crowned by AWS President, Sharon Shallenburger. The Vice-Versa was one of the social highlights of the season.

Annual Debate

The annual V.H.S. debate championships, revived after a 36 year interruption, were held on April 4 of this year. The topic was "Resolved That Student Government Be Abolished." The senior team of Susan Binneweg and B. S. Garber held the negative side. The affirmative was maintained by Robert Hendricks and Rich Raskin. The debate was moderated by Bob Cobb and judged by Mrs. Pratt, Mr. Solberg, Mr. Fry who decided in favor of the negative team. Robert Hendricks was chosen best speaker.

SCARLET MASQUE

The most obvious accomplishment of the Scarlet Masque is the production of two school plays during the school year. These plays are selected by the Masque and the acting is done by members of the Masque and anyone else interested. The main requirement for entrance into the Masque is that one must put in approximately 100 hours working on a school play. The cost of production is paid entirely by the Masque, which uses the profits for a trip to see a professional production in San Francisco.
